

BEAU CONSTANTIA

We are delighted you made the long walk up from our parking area. We are even more delighted that you managed to park your vehicle without going over the edge of our steep embankment.

Now that you have arrived, please take the next step of looking through our limited menu and wine list. We say limited, because, as we are a Tasting Room and not a restaurant, we keep our offering to a minimum.

Believe us, we would love to have our Beau Constantia wine flowing even more than you would, however, as we are a boutique wine farm, our wine offering is modest in production, but grand in quality, characteristics, flavour and aroma. Our wines (particularly our white wines) are in great demand, and this combined with our humble production, means times when we will have sold out. For this we apologise in advance.

Please sit back, take in the views and delight in a delicious glass of wine.

No coffee is served in our Tasting Room - let the flavours of the wine linger on your palate.
